

Welcome at

Cafe Stæhr

**We are pleased to have you as our guest and we will do anything,
to make you feel comfortable and home**

The café first opened its doors in 2006 and we would really appreciate, if you could find the time to sign our guestbook. You are more than welcome to rate our café on Tripadvisor as well.

Everything, with the exception of our pies, are freshly made upon order and we are more than happy to accommodate allergies and other requests as much as possible.

We feel that we have accomplished our goal if you leave our establishment with the desire to return another time.

You will find our beverages in the other map on your table.

If you are in a hurry, we offer all our menus as take-away.

Welcome again, and if you have any questions please ask!

Lars Stæhr
