

**Welcome to**

**We are pleased to have you as our guest and we will do anything we can to make you feel comfortable and at home.**

**The café first opened its doors in 2006 and we would really appreciate, if you could find the time to sign our guestbook. You are more than welcome to rate our café on Tripadvisor as well.**

**Let us know if you have any requests or requirements and we will do our best to accommodate you. Everything, with the exception of our pies, are freshly made upon order and we are more than happy to accommodate allergies and other requests as much as possible. Our pies are homemade too but baked in the morning for serving during the day.**

**We feel that we have accomplished our goal if you leave our establishment with the desire to return another time.**

**You will find our beverages in the other map on your table.**

**If you are in a hurry, we offer all our dishes as take-away.**

**WELCOME AGAIN AND IF YOU HAVE ANY QUESTIONS, PLEASE ASK!**
