

Welcome to Café Stæhr

We are pleased to have you as our guest, and we will do anything we can to make you feel comfortable and at home.

The café first opened its doors in 2006 and we would really appreciate, if you could find the time to sign our guestbook. You are more than welcome to rate our café on Tripadvisor as well.

Let us know if you have any requests or requirements and we will do our best to accommodate you.

We feel that we have accomplished our goal if you leave our establishment with the desire to return another time.

If you are in a hurry, we offer all of our dishes as take-away.

Welcome again and if you have any questions please ask!
